Malta

is a small island, which is located in the Mediterranean Sea. You can spend beautiful holidays and study English here, too. There are many language schools in Malta, for example:

Saint Paul's Bay is a town in the Northern Region of Malta, sixteen kilometers northwest of the capital Valletta.

Cathedral
Der Dom

Mosta

The Rotunda of Mosta or the Mosta Dome is the most famous building in this town

The church narrowly avoided destruction during World War II, since on 9 April 1942 a German aerial bomb pierced the dome and fell into the church during Mass but failed to explode. This event was interpreted by the Maltese as a miracle.
